Date: 13/01/2020

Summary Report: Orientation of Student Induction Programme for Academic Year 2019-20

Event Overview

Venue: **Online** (Shahu Shikshan Sanstha Pandharpur Adhyapak Mahavidyalaya, B.Ed, affiliated to Mumbai University)

Participants: 30, F.Y.B.Ed. Students,

Batch 2019-21, Semester II

Mode : online

Objective of the Programme

The orientation of the student induction programme was organized to welcome and orient the new semester's cohort of F.Y.B.Ed. students. The primary goal was to familiarize students with the online learning environment, new academic expectations for the semester, and to provide support for their transition into a virtual classroom setting. 30 students attended the programme.

Inauguration and Welcome

The online event began with a formal inauguration, where the Principal, **Mrs. Vaishali Patil**, delivered a welcome address. The Principal highlighted the institution's commitment to maintaining academic continuity and quality education despite the shift to online learning due to the pandemic. Emphasis was placed on the adaptability and resilience required in these unprecedented times.

Programme Structure and Curriculum Overview

Faculty members provided an overview of the curriculum for the second semester, highlighting:

Curriculum Details: Detailed explanations of the core subjects, elective courses, and practical components to be covered in the semester.

Assessment Methods: Information on the revised assessment methods, including online examinations, assignments, and project work.

Online Resources: Introduction to the digital resources, including the learning management system (LMS), e-library, and other online tools available to support students.

Introduction to Faculty and Staff

Each faculty member introduced themselves, sharing their academic background, areas of expertise, and the courses they would be teaching. This segment aimed to build a virtual rapport between students and faculty, ensuring students felt connected and supported despite the physical distance.

Demonstration of Online Learning Tools

A significant portion of the orientation was dedicated to demonstrating the online learning tools and platforms. This included:

Navigation of the LMS: A step-by-step guide on how to access course materials, submit assignments, and participate in discussions.

Virtual Classrooms: Instructions on joining live classes, interacting with peers and instructors, and utilizing features such as breakout rooms and polls.

Digital Library Access: Guidance on accessing e-books, journals, and other digital resources.

Academic Curriculum Overview

Faculty members presented a comprehensive overview of the SECOND semester's curriculum. Key points included:

Core Subjects and Electives: Detailed descriptions of the core subjects and elective options available.

Practical Components: Emphasis on practical teaching methods, including classroom management, lesson planning, and assessment strategies.

Project Work: Introduction to new projects and assignments aimed at enhancing practical skills.

Assessment Methods: Explanation of the assessment criteria and evaluation methods.

Internship and Practical Training

A significant portion of the orientation focused on practical training and internships. Faculty members outlined the expectations for internships, including:

School Placements: Information on partnering schools for internships and the process of placement.

Mentorship: Guidance and support from experienced teachers during the internship.
