Best Practices**

Shahu Shikshan Sanstha Pandharpur, Adhyapak Mahavidyalaya, (B.Ed.) Survey No: 37, Mohane Road, Shahad (W), Kalyan Dist. Thane, Pin: 421103 is ISO 9001:2015 Certified Institute, Approved by NCTE, Recognized by Government of Maharashtra, Affiliated to University of Mumbai and working hard for the rural development by providing quality teacher education. The college has various cells. One of the most important cell is Students Development Cell

Best Practices I- Students Development Cell

The student development activities are necessary for preparing the students for future. The institute undertake and conducts the several such activities comprising of social responsibility, working with the community for social development, enhancing professional capabilities through personality development programs and communication skills, entrepreneurship development programs, IT skills, youth empowerment, disaster management, soft skills program, youth festivals and many. The institute always takes many efforts to develop the students and mould them in a personality which helps in developing the nation ultimately.

1. It aims at increasing levels of understanding of the concepts and practical implementation of knowledge along with their research aptitude.
2. It would help in holistic development of the students making them thinkers.
3. To bridge the gap between the theory and practical knowledge.

The Practice:

Inputs are given by the staff members on various topics for completing students need.

Need based session training is provided as per the vision of the institute

Provided all types of ICT support to enhance ICT skills

Evidence of Success:

1. SDP strives to make education and learning an interesting activity for the youth.
2. It helps to build confidence of the students
3. Its ultimate goal is to facilitate overall Personality Development and Personality Enrichment for every student thus making them Happy and Successful in life.

Goals

To attract meritorious students who are financially weak to take admission

To provide financial assistance to the needy students who are financially weak

To motivate the students by providing financial assistance in form of cash prizes to the scholar students, students belong to poor class and other needy students.

To inculcate the values of 'generosity' and a 'sense of social responsibility' among the students.

2 Title-. Donation Drive for the Orphanage:

The Practice

The institute every year conducts the program for the general public under the social cause. The every institute has to give back to the society in kind for the community development and it's the social responsibility of the organization. Under this, the institute conducts the donation drive for the orphanage and offers the help to the needy children residing in such orphanage.

The objectives of the donation drive are:

To inculcate the habit of "giving back" to the society among the students.

To make the students acquainted with the societal issues and work on resolving such issues.

To assist the society in several aspects for the development

Ground facility for Sports is also available

To help the needy and underprivileged parts of the society

Output

In this, the students visit the orphanage and conduct the orientation program for the orphans. In it the institute conducts the various games, fun activities and other entertainment activities along with the health awareness program, program on importance of personal hygiene etc. The institute donates the various things as per their requirements. The requirements include water bottle, food, computers, water tank, etc
